

FSM National Teacher Salary and Conditions of Service Research Project 2009
FEDERATED STATES OF MICRONESIA

Resolution #FR07092

A Resolution

A Resolution supporting the need for a research project to collect and analyze data pertaining to FSM teachers' salaries and conditions of service:

WHEREAS FSM teachers are required to comply with the more demanding minimum academic qualifications stipulated by the FSM Teacher Certification Policy,

WHEREAS NDOE observations have shown that there is a wide variation in salaries and conditions of service between teachers within each State and between States;

NOW THEREFORE, BE IT RESOLVED, by FACSSO that the National Department of Education (NDOE) and the State Departments of Education (SDOEs) collaborate on the development and implementation of National Teacher Salary and Conditions of Service Research Project.

DOE will design a research project to collect information on all teachers' salaries and conditions of service, including recruitment, deployment, duties, qualifications, opportunities for promotion and professional development opportunities.

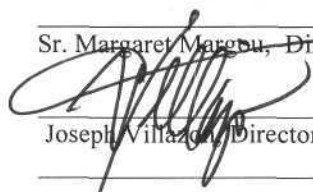

NDOE will collect information on the salaries and conditions of service for equivalent professionals in the public and private sector.

NDOE will analyze data; produce and publish a report on this research, with recommendations.

SDOEs will collaborate with NDOE by providing research assistants and access to relevant data.
